You can choose REGISTRATION of practitioners here at the top of the page or follow this one

link <https://hsv.felog.is/> to register participants. Practitioners must be registered for all the weeks involved participate in.

Registration ends at 16:00 on the Thursday for the course that starts Monday. Since the participants have to be divided into smaller groups, it is necessary that all registrations have been entered the system on time. Pay attention to the correct e-mail addresses, where the program of the week and important information is sent by email to parents/guardians before the course begins.

The courses are every weekday from 9-12. The kids can be placed from 8:30 without organized program.

For children in grades 1-2. there will be games, beach trips, bike rides, mountain climbing, swimming, and more.

Attendance for 1st-2nd grade and is at the Sports Hall in Torfnæs.

For children in 3.-4. class will be a climbing course in week one, a golf course in week two and a general course in week three.

In all the courses, lunch is eaten in the middle of the morning, and everyone brings a healthy and good lunch from home.

It should be noted that everyone is welcome to HSV's sports and games courses, residence at
